Insignia® Pro combines two trusted active ingredients for long-lasting snow mould control.

As an Intrinsic® brand fungicide, Insignia Pro also provides plant health benefits for broad spectrum disease control, stronger roots and higher stress tolerance to survive the winter.

Insignia Pro reduces fall environmental stress to promote carbohydrate production and root growth for survival during extended periods of ice cover in winter.

Insignia Pro offers a shorter re-entry interval compared to competitors, in a convenient premix formulation, for flexibility and convenience.
